## **Abstract**

This is the paper's abstract ...

# 1 Aim of the project

This is time for all good men to come to the aid of their party!

**Outline** The remainder of this article is organized as follows. Section 4 gives account of previous work. Our new and exciting results are described in Section 4. Finally, Section 4 gives the conclusions.

# 2 Scope of the project

A much longer L<sup>A</sup>T<sub>E</sub>X 2<sub>ε</sub> example was written by Gil [1].

# 3 Basic requirements of the project

In this section we describe the results.

# 4 Justification

We worked hard, and achieved very little.

# 5 Organization of the group

This is time for all good men to come to the aid of their party! Ens organitzarem utilitzant una jerarquia.

**Outline** The remainder of this article is organized as follows. Section 4 gives account of previous work. Our new and exciting results are described in Section 4. Finally, Section 4 gives the conclusions.

## 5.1 Organization Structure

This is time for all good men to come to the aid of their party!

**Outline** The remainder of this article is organized as follows. Section 4 gives account of previous work. Our new and exciting results are described in Section 4. Finally, Section 4 gives the conclusions.

## **5.2 Roles and responsibilities**

This is time for all good men to come to the aid of their party!

**Outline** The remainder of this article is organized as follows. Section 4 gives account of previous work. Our new and exciting results are described in Section 4. Finally, Section 4 gives the conclusions.

# **6 Planning of the project**

We worked hard, and achieved very little.

## **6.1 Tasks identification from work breakdown structure (WBS)**

This is time for all good men to come to the aid of their party!

**Outline** The remainder of this article is organized as follows. Section 4 gives account of previous work. Our new and exciting results are described in Section 4. Finally, Section 4 gives the conclusions.

## **6.2 Brief tasks description**

This is time for all good men to come to the aid of their party!

**Outline** The remainder of this article is organized as follows. Section 4 gives account of previous work. Our new and exciting results are described in Section 4. Finally, Section 4 gives the conclusions.

## **6.3 Interdependency relationship among tasks**

This is time for all good men to come to the aid of their party!

**Outline** The remainder of this article is organized as follows. Section 4 gives account of previous work. Our new and exciting results are described in Section 4. Finally, Section 4 gives the conclusions.

#### **6.4 Human resources and level of effort (hours) to develop each task**

This is time for all good men to come to the aid of their party!

**Outline** The remainder of this article is organized as follows. Section 4 gives account of previous work. Our new and exciting results are described in Section 4. Finally, Section 4 gives the conclusions.

### **7 Budget (initial estimation for engineering basic project)**

We worked hard, and achieved very little.
